12. (Internal Use Only - [redacted] NSA, called to find out if we had any information on the various bills which have been introduced on the subject of employee unions and grievance procedures. He was advised that we had discussed this matter with Mr. Charles Johnson, of the House Post Office and Civil Service Committee, within the past few weeks and that Johnson had informed us Chairman Murray does not propose to take any action on these bills within the foreseeable future.

13. (Internal Use Only - OLC) Mr. William McAfee, in the IRC Office of State Department (Extension 2[illegible]), called to say that State had received a letter from the Chairman of the Senate Foreign Relations Committee requesting State's views on S. J. Res. 77, to establish a Joint Committee on Intelligence and Foreign Information. McAfee wished to know what our position would be on this legislation. I advised McAfee that our position had not as yet been formalized but that we too had received a request from Senator Fulbright. McAfee indicated that State would not prepare their response until we contacted them on this.
